Study aims to provide better treatment for drug and alcohol addiction

TREATMENT OPTIONS Leaders unveil a new report suggesting immediate improvements and cost savings across Rhode Island's addiction and treatment recovery system.

Some 40 human service providers come together to back an effort to change the way drug and alcohol addiction are dealt with in Rhode Island.

The [Rhode Island "Closing the Addiction Treatment Gap"](#) coalition is funded by the [Open Society Institute](#). More, with WPRO's Steve Klamkin.
